Joe, I am your biggest fan in VA! I won the city LL championship this summer. We are the Vienna, VA Twins, and I wear #7. I want to be a catcher - how do you learn the best way to block pitches? Why did you pick #7? When you were a kid, was that number worn by your hero? There aren't many Twins fans in VA, but I'm a big one. What's the best way to practice throwing runners out? I have never met Joe before, but would like to someday when I get the guts! He is a great guy and a phenomenal ball player. I have seen him kiss the bat before and I know they have marked bats in the dugout (with certain weights and such). I myself am superstitious, so I think it would be fun to see what they all are superstitious about! : )
